3 After the election of the present Vice-President
for a period of Three years, we now learn that there was a
resolution in the local Municipal Council that the term of
Office of Vice-President should be confined only to one year
So far as the general good of the residents of the town re

Subject - Term of office of the vice

With reference to your memo no N O C 1453/4748 dated 23rd January 1948 forwarding copy of letter No. 12736 dated 21st January 1948 from the Revenue Secretary to Government re the above subject and calling for a report on the several points therein noted I beg to state as follows -

- 1) The present vice president of the Municipal Council was elected on 6-2-1947 and the same was notified in Government order N. 12227-M 40-46-82 dated 5th March 1947 (vide the Mysore Gazette of March 13 1947 part III-3)
- 2) The date of election resolution of the Municipal Council requesting the term of office of the vice-president to be limited to one year was 20-1-1947
- 3) On the date of the special meeting viz 20-1-1947 all the councillors (3 officials 15 elected and 3 nominated) attended the meeting. Regarding the limiting of the term of office of the vice-president for one year 11 councillors voted in favour of this resolution and 8 against it. Two official councillors (the president and Sub assistant Surgeon) remained neutral. A copy of the resolution enclosed.
- 4) There is nothing on record to show the special circumstances which led to the

the passing of this resolution in our agenda (copy enclosed) it is seen that this subject was not included for discussion in that special meeting and that during the course of the meeting it was taken up as an additional subject for discussion. It is seen from the relevant resolution that the councillors who voted for limiting the vice president's term of office to one year pleaded that by their arrangement that other councillors also will have chances of serving as vice president and this would diminish the ill-feeling among the councillors. On the other hand the councillors who voted against this proposal were of opinion that frequent change of vice president was not conducive to the public good as during the short period of one year no satisfactory work can be turned out with responsibility and this arrangement will lead to unnecessary misunderstandings in the Council and a period of 3 years of the office of the vice president is necessary to understand things and do some public good. However as the majority of the councillors voted for this proposal it was recommended for sanction.

5) At no time in the previous years such a similar resolution seems to have been passed. The enclosures received with your memo under advertisement and also copy of the resolution and the agenda are enclosed and submitted herewith.

Subject -

Term of office of the Vice President,
Sirsa Town Municipal Council

With reference to your memo No A₂C 1453/47-48 dated 29-3-48, forwarding a copy of letter No L 14596 dated - 16-3-48, from the Revenue Secretary to Government, Bangalore, on the above subject and requesting to submit a resolution of the Municipal Council in the matter, I beg to submit that the matter was placed before the Council in their meeting held on 13-6-48 and to state that out of the 21 members present, 12 members were of opinion that the term of the Vice President of this Municipality be extended to 3 years, while 8 members were of opinion that it may be limited to one year as resolved previously.

The members who wanted that the term of the Vice President should be one year at a time have assigned reasons as stated in the resolution. It may not have much force since the term of one year is very short and new people who assume office require some time and before they understand and gain ~~expedixra~~ experience, they will be put to anxiety of being thrown out very shortly and thus the work will suffer seriously. In this connection, I beg to invite kind reference to this office report 'o O C 178/47-48 dated 13-2-48 wherein the continuance of the term of the Vice President for 3 years has been fully explained.

Keeping this in view, that the majority of the members after a long discussion, have come to irresistible conclusion that the term of the Vice President be extended to three years.

In agreeing with the resolution of the majority of the members, I recommend that the approval of the Government may kindly be obtained. In view of this, the present Vice President
